JUNE NEWSLETTER

2008

Dear Parents,

It is so hard to believe that another year has gone by. We are so proud of all of our students and the tremendous talent that is being shown by all ages. It is so nice for us to be able to sit back and watch and your little dancers perform for you and impress us with their enthusiasm and dedication. A big thank you goes out to all of you for allowing us to partake in their dance education and facilitating our job by getting them here on time, in appropriate dress, and generally motivating them to be the best that they can be.

Please take the time to read through these last few reminders so there is no confusion at recital time. We realize that there is a lot happening in all schools at this time of the year and we want to make it as easy as possible for you.
